ORDER NO.

SUBJECT:

Docket No. 2009-41-T - Application of the South Carolina Tariff Bureau, Incorporated for a Rate Increase - Discuss this Matter with the Commission.

COMMISSION ACTION:

The Office of Regulatory Staff (ORS) alleges that it cannot perform its audit of the proposed rate case due to lack of information from the companies. The companies are challenging the type and amount of information that the ORS has requested. The companies allege that ORS has asked for information that went above and beyond the scope of authority that the ORS has over movers within South Carolina. I move that a briefing schedule be set in this Docket for the parties to address the ORS' scope of authority to request the information. I would note that the South Carolina Tariff Bureau will need representation by a South Carolina attorney in order to proceed.
